Head's Message

Thank you for your help with the home study days at the end of last week. This enabled staff to spend valuable time on personal professional development in support of the One School vision. We appreciate that the environment for learning is different at home and that for some pupils it will have been challenging to carry out their learning tasks. Hopefully this was a good opportunity to further develop their self-management skills. If you have any specific feedback or concerns about the learning expectations please do not hesitate to contact your child's tutor or teacher so this can be taken into account next time.

On Thursday this week the OSG National Awards take place in Kettering. Campus Gold Award and Dux winners along with Sports national record holders should have received invitations directly from OSG UK. Good luck to all the Dunstable and Northampton representatives.

Next week, on Thursday 7th December, we are holding Parents' Day for the parents and pupils of Years 7 to 13. The campus will be closed for Year 7 to 13 but open for Years 3 to 6. A letter will be sent out this week with further details.

Open Meeting for all Parents – this week!

Parents of all pupils in any Key Stage at Dunstable or Northampton Campuses are warmly invited to an open meeting in the Gym at Dunstable on Tuesday 28th November starting at 2.00pm.
