

Newsletter 26

23rd April 2018

Head's Message

After the glorious weather last week it seems the temperatures will not be quite as high this week. Please could parents ensure that their children are wearing the correct uniform to school. Winter uniform still applies until next week and girls in particular should not “mix and match”– black tights with kilts please. Hats and sunscreen are advisable for breaks and PE!

Please note, the Newsletter will be sent out on Tuesday for the next two weeks.

Learning on a Monday morning!

100% Attendance Competition

152 pupils have 100% attendance so far this term. The number of pupils who still have 100% attendance for the school year has slightly dropped to 18....hang on in there!

We are holding an assembly later this week in which those with 100% attendance last term will be recognised.

Our overall attendance figure for the school year remains at 96.2% at the end of last week...we are still aiming for 97% as a minimum...

...and more Maths success!

Congratulations to our Intermediate Maths Challenge team consisting of Lloyd Tunley and Ashlyn Stedman in Year 9 and Laverne Eames and Arnie Tuffin in Year 8. They represented OneSchool Dunstable in the National Intermediate Maths Challenge team event at Cambridge University last Friday coming 19th out of 34 teams.

This is a very creditable result given the extremely high standard at such an event! The staff working with them specifically commented on their excellent attitude and behaviour. Thank you to Mrs Madiri for preparing the team and taking them to the competition.
